There is, therefore, pressing need for all Christians to give at least part of the time they spend in reading the Scriptures to studying its predictions. We purpose giving a series of studies on the thirteenth chapter of Matthew, which, in the writer s judgment, is, from the standpoint of prophecy, the most important chapter of all the New Testament. There is much in God s prophetic program which must necessarily remain dark until the parables of this chapter are thoroughly mastered. At present they are much misunderstood and misinterpreted. Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical society (an occult gnostic group popular in England during that time), and quickly rose in prominence within their ranks. His conversion came from his father s patient admonitions from Scripture. It was the verse, Proverbs 14:12, there is a way which seemeth right unto a man, but the end thereof are the ways of death, which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus.
