

Koby s New Home (Paperback)

By Michael W Freeman

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Koby s New Home takes a sometimes humorous, often unsettling and scary look at economic dislocation. Having lost his job and now struggling to find a new one, William Grabinski has no choice but to rent a small, dirt cheap unit in an old, decrepit building. Feeling lonely and isolated there, he can t resist adopting a kitten that cries at him from the building s courtyard on a cold December day. The kitten, which Grabinski names Koby, is shivering and starving. He stares up at the man who stops and speaks to him, wondering if he s a threat or not. The kitten allows Grabinski to pick him up . The purring machine quickly goes off. Now tiny Koby has a home. It starts out very much like a heartwarming and sentimental story of a depressed man who finds comfort and happiness in caring for this sweet, adorable kitten. But it isn t long before the book heads off in a much darker direction. The first problem is that Grabinski is suddenly completely paranoid -- because his building...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
