Skira. 1 Paperback(s), 2009. soft. Book Condition: New. The Bauhaus Arts and Crafts Institute was founded in Weimar Germany by Walter Gropius in 1919, and attracted avant-garde artists from all over Europe, including Paul Klee, Wassily Kandinsky, László Moholy-Nagy, and Oskar Schlemmer. Yet the innovative approach of the institute provoked hostility from established academic circles, and the Bauhaus was closed down by the Nazi regime in 1933. Presented here are 50 extraordinary works of art and industrial design, produced by the Bauhaus and published through exhibitions, conferences, shows, and manifestos. This pocketable art book from Skira (one of Europe's leading publishers of museum exhibit catalogues) spotlights these works with color reproductions and photosome spanning two pagesas well as additional illustrations and detail views in the introductory essay. 95.
