An Introduction to General Psychology (Classic Reprint) (Paperback)

By Robert Morris Ogden

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from An Introduction to General Psychology The chief motives for the writing of the present book were two. The first of these was to supply a general elementary text-book which would meet the demands of the average student beginner a little more adequately than has been done hitherto. After ten years experience in teaching a first course in Psychology, I have become convinced that the mode of attack usually followed fails to supply the student with the sort of introduction into the science of mind that will enable him, on the one hand, to connect his Psychology with every day life, and, on the other hand, to apprehend the bearings of this science upon Philosophy, Education, Sociology and Biology. It has been my experience that so much time was consumed in the study of the nervous system, and of the experimental data of sensation and perception, that in a brief course no adequate consideration could be given to mind as a whole, and to the important topics of personality and character. To introduce a student to the study of Psychology...
