PowerKids Press, 2016. Hardback. Condition: New. Language: English . Brand New Book. Polar bears live in one of the most extreme habitats on Earth: the Arctic. As readers discover how polar bears survive the harsh conditions, they explore important science curriculum topics, including habitats and adaptations. Even reluctant readers will enjoy learning about these popular bears through accessible text, fun fact boxes, and a helpful map showing where polar bears live. A detailed graphic organizer and full-color photographs of polar bears in their natural habitat will keep readers engaged as they learn. Polar bears are unlike any other bears in the world, and readers will enjoy finding out what makes them special.
