FROM THE AUTHORS: As an academic field in its own right, the topic of border studies is experiencing a revival in university geography courses as well as in wider political commentary. Of course, something about the postmodernist sensibility readily embraces the ambiguity, impermanence, transience, and twilight nature of bordered spaces among the planets 192 territorially defined states. But we have another motivation in assembling this book, one rooted in contemporary rivalries sited in one of the worlds most open regions. Until recently, border studies in contemporary Southeast Asia appeared as an afterthought at best to the politics of interstate rivalry and national consolidation. The maps set out all agreed postcolonial lines. Meanwhile, the physical demarcation of these boundaries lagged. Large slices of territory, on land and at sea, eluded definition or delineation. That comforting ambiguity has disappeared. Both evolving technologies and price levels enable rapid resource extraction in places, and in volumes, once scarcely imaginable. The old adage that God really does have a sense of humor (after all, look where HeShe put the oil) holds as true...
