## TALKER 25 (HARDBACK)

Greenwillow Books, United States, 2014. Hardback. Book Condition: New. 211 x 152 mm. Language: English . Brand New Book. Debut author Joshua McCune s gritty and heart-pounding novel is a masterful reimagining of popular dragon fantasy set in a militant future reminiscent of Paolo Bacigalupi s Ship Breaker and Ann Aguirre s Outpost. The Horn Book called it absolutely gripping and absolutely horrifying. It s a high-school prank gone horribly wrong sneaking onto the rez to pose next to a sleeping dragon and now senior Melissa Callahan has become an unsuspecting pawn in a war between Man and Monster, between family and friends and the dragons she has despised her whole life. Chilling, epic, and wholly original, this debut novel imagines a North America where dragons are kept on reservations, where strict blackout rules are obeyed no matter the cost, where the highly weaponized military operates in secret, and where a gruesome television show called Kissing Dragons unites the population. Joshua McCune s debut novel offers action, adventure, fantasy, and a reimagining of popular dragon lore. The story packs significant punch. Publishers Weekly.
