Brand New Book ***** Print on Demand *****.Excerpt from Official Report of the Ontario Power Commission An Act was passed by the Ontario Legislature in. 1903 entitled An Act to Provide for the Construction of Municipal Power Works and the Transmission, Distribution and Supply of Electrical and Other Power and Energy (Cap. 25, 3 Ed. VII., 1903), which authorized Ontario municipalities to appoint a Commission to inquire into the feasibility and desirability of securing the establishment and operation of municipal power, heat and light works. The Act directed that in the event of such Commission being appointed, the Commissioners should report to the appointing municipalities full particulars, among other things, of the power consumed and required in the districts concerned the capital and operating costs of the proposed works, and the rates that would require to be charged consumers of power and light. The Commission was also expressly charged with the duty of determining the proportion in which each of the said municipalities should contribute to, or become liable for, the cost of the proposed works. The Act further authorized the Councils of the participating municipalities to cause the publication of...
