Xlibris Corporation, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Magic mushrooms can affect. Religion was left to self discovery. With adolescent years spent racing bikes and cheating death the author met many strange circumstances. He tried illicit substances leading to his breakdown on his 33rd birthday. He was diagnosed as Bi-polar (Manic-Depressive) and wants to take you down the road of his manic delusions, in verse. A parody you will never forget! A parody that might make you think about taking another hit. Take the journey of discovery with a more tangible view of the world, leading to the finding a far more Greater being truly exists. It will grip by the page and will keep you mesmerized to the very last. Don't read if you are wise! A fictional truth.
