This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

LIFE GOES ON PICKING UP THE PIECES AFTER A LOVED ONES SUICIDE

BalboaPress. Paperback. Condition: New. 208 pages. Dimensions: 8.5in. x 5.5in. x 0.5in. All loss is difficult, but death by suicide is a traumatic loss that brings with it more than just grief. I gradually began to put my life back together again—slowly but surely, one piece at the time. My life is drastically different now from what I imagined it would be when I first married. I've had to accept changes that were forced on me, but I've tried to make the best of those changes and use them in a positive way. I began writing a blog two years after my husband's death as a means of therapy for myself. I never dreamed it would turn into something that would help others as well. After keeping my blog going for two years, I decided to pursue turning it into a book. *Life Goes On: Picking Up the Pieces After a Loved Ones Suicide* is the result of my personal experience and is told straight from the heart with total honesty.
