Excerpt: . . . of great import to the Crown of England to curb them, and in time to reduce them to their former Obedience; and no body will imagine it consistant with the Interffl of the Crown any more to trust Government, in the hands of a People so ready and so able, upon all Occasions, to Revolt and set up for themselves; and the stronger they are, the more need there will be to keep them under. Thirdly, And lastly, They will really endure and undergo all those Miseries and Calamities which they fancied to themselves under the late Government, and become the Scor n and By-word of all their Neighbours. What then remains, but that they should endeavour to settle themselves in such a posture, as may at least mitigate, if not wholly prevent the before-mentioned Inconveniences If their Charter be restored, it can neither...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
