## WHAT ITS LIKE TO GO TO WAR

Grove Press / Atlantic Monthly Press. Paperback. Condition: new. BRAND NEW, What Its Like to Go to War, Karl Marlantes, "Matterhorn" author Karl Marlantes' nonfiction debut is a powerful book about the experience of combat and how inadequately we prepare our young men and women for the psychological and spiritual stresses of war. One of the most important and highly-praised books of 2011, Karl Marlantes' "What It Is Like to Go to War" is set to become just as much of a classic as his epic novel "Matterhorn". In 1968, at the age of twenty-two, Karl Marlantes was dropped into the highland jungle of Vietnam, an inexperienced lieutenant in command of a platoon of forty Marines who would live or die by his decisions. In his thirteen-month tour he saw intense combat. He killed the enemy and he watched friends die. Marlantes survived, but like many of his brothers in arms, he has spent the last forty years dealing with his experiences. In "What It Is Like to Go to War", Marlantes takes a deeply personal and candid look at the experience and ordeal of combat, critically examining how we might better prepare our young soldiers for war. War is as old as humankind, but in the past, warriors were prepared for battle by ritual, religion, and literature - which also helped bring them home. In a compelling narrative, Marlantes weaves riveting accounts of his combat experiences with thoughtful analysis, self-examination, and his readings - from Homer to the Mahabharata to Jung. He tells frankly about how he is haunted by the face of the young North Vietnamese soldier he killed at close quarters and explains how he finally found a way to make peace with his past. He makes it clear just how poorly prepared our nineteen-year-old warriors -...
