

Grimms' Fairy Tales

Filesize: 4.12 MB

Reviews

Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

GRIMMS' FAIRY TALES

[DOWNLOAD](#)

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Grimms' Fairy Tales, Jacob Grimm, Wilhelm Grimm, HarperCollins is proud to present its new range of best-loved, essential classics. 'The wolf thought to himself, "What a tender young creature! what a nice plump mouthful - she will be better to eat than the old woman. I must act craftily, so as to catch both."' Collected by the German Grimm brothers, these folk tales have captured the imaginations of children and adults alike since they were first published in 1812. The best-known stories such as The Golden Goose, Hansel and Gretel, The Frog Prince, and Snow-White and Rose-Red remain as popular today as when first told, although there is an underlying darkness and violence to the original stories that has softened over time.
