Dog Ear Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.ADVENTURE FIVE: NEW PAWSPECTIVES ADVENTURE FIVE brings this series to its end. This book series is written for elementary school children, but may be enjoyed by all ages. The series chronicles a true story told through the voices of Giggles, a Bichon Frise, and Owen, her older friend, an American Pit Bull Terrier. The connecting thread in every book is how these two dogs started a TV program, Canine Capers, which ran for six years on cable TV. On another level, the author presents different situations with humor which opens the doors for discussion with the young reader, like the need for friends with good values, handling bullying, and self-esteem. In each situation, Owen teaches Giggles how to find her confidence by valuing her individuality. Taught through the voices of the dogs, there is no peer pressure, just laughter. Each book contains New England history. Owen s Dictionary may also be found in the back of each book which contains words used in that book. The author and illustrator hope you enjoy this book as much as they have enjoyed putting it together. We would love to hear your remarks.
