Also, cactus plants have long been the subject of a superstition that any house, which has cactus growing in it is going to be filled up with strife and trouble and arguments. That is because of the spines of the cactus which are known as spikes promote ill feeling. There is something so odd about a cactus plant that it is often difficult until you grow them yourself to believe that these really belong to the plant kingdom. Historically, how many pioneer explorers of the desert areas in America saw them in the twilight and thought stories of monsters with their arms outstretched, and no heads, who turned into plants in the desert in the morning. No wonder, these giants which can grow up to 63 feet have always been the subject for legends. Even today, most of us are told tales about the cactus, which many of us half believe. Some of us have heard that cacti are poisonous. Other people are going to tell us that cacti flower only once in 100 years, and...
