Excerpt: . . . that will support budgeting, financial, and program management at AOC; and adopt an agencywide approach to information technology management by establishing appropriate leadership and developing the policies, procedures, and tools needed to effectively and efficiently manage information technology resources across the agency. AOC is taking the first steps towards improving its management infrastructure and internal control, though in some cases, additional steps need to be taken to fully address the findings of our January 2003 report. For example, AOC is making important progress in addressing our recommendation to develop and implement agencywide human capital policies and procedures by (1) drafting its employee absence and leave policy, still pending review and approval by the Architect, (2) providing guidelines to its workforce for determining eligibility for Sunday premium pay, and (3) completing its policy and procedures for administering pay flexibilities. The issuance of these policies is important to addressing the concerns raised by AOC employees when we...

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.
