Berkley Books, United States, 2006. Paperback. Condition: New. Reissue. Language: English . Brand New Book. Maggie O Neill was just a small town girl, stuck in a dead end job--until she started working at Enchantments, Stony Mill s finest mystical antique shop. Now she s Indiana s newest witch. Learning to cope with her newfound powers is tough enough, but add to that keeping the stock at Enchantments organized and remembering to tape reruns of her favorite show, Magnum P.I., and Maggie s got a full plate. But when she witnesses an altercation between a local teenage princess and another customer in Enchantments--and then the girl turns up dead later that day--she feels compelled to investigate. The police are at a loss. But Maggie has some tricks up her sleeve, or to be more specific, some spells, charms and mystical intuitions. And with the help of her boss (and favorite witch) Felicity Dow, Maggie is spellbound and determined to get to the bottom of this murder.
