Brand New Book ***** Print on Demand *****.Me, God, Curly chronicles one woman s spiritual journey through the back alleys of life, death, and grief, where she dares to ask the question: Is Death really the end? In this sweeping portrait of grief, Debra recounts the story of the little blind dog that was responsible for the complete transformation of her life along with the events brought on by the aftermath of her death. Unable to cope with Curly s death, Debra s obsession to be reunited with her beloved dog catapults her into a world of mystery and intrigue: a world where certain knowledge remains hidden until one is ready and prepared to understand it, a covert world that is hard to access unless you ve done the painstaking work required to open the doors to its secrets. Grappling with an ever deepening depression and a complete lack of will to live, Debra begins her search for the answers to life s toughest questions. But to receive the answers she so desperately desires requires a tradeo , and she must ultimately face her OWN death to get them. Debra was born and raised in Central Kentucky, and she still calls the rolling hills of Bluegrass Country home. Debra and her husband, Jim, currently reside on their 60 acre horse farm with a lively variety of dogs, cats, horses, and birds too numerous to mention, but loved all the same.
