Reviews

It is one of my personal favorite ebooks. It is probably the most awesome publication I have read through. You won't really feel monotony at anytime of the time (that's what catalogs are for regarding in the event you check with me).

For at least one (and generally more) of the aircraft in the list associated with a given engine, the decision to use the engine was made when the engine was in the final stages of development. (In the case of the J -57, J-79, and J-75 this is true of nearly all the aircraft listed.) No list extends beyond 1956. Summary For an engine developed independently of an airframe the developer may constrain the performance, weight, and size of an engine at the start. 330 pp. Englisch.
